# *Dawning Of A New Era*

*The President  
Dr. Valmadge Towner  
Coahoma Community College*

Coahoma Community College is witnessing the *“Dawning of a New Era.”* We have worked extremely hard this school year to provide more opportunities for CCC to be involved in the communities we serve. During school year (2014-2015)) alone, we have accomplished many of our goals. Examples of our recent achievements are:

- CCC 's partnership with Metso Mineral Industries of Clarksdale, the first local manufacturer, made training available to its employees.
- CCC's partnership with DSU provided a free summer camp for the week of July 21-25 for Coahoma kids ages 9-11. Delta State University's Healthy Campus/Community Initiative (HCCI), developed in partnership with Blue Cross and Blue Shield of Mississippi Foundation, sponsored the camp through a \$500,000 grant awarded to CCC by CCHEC.
- CCC has emphasized campus safety and we kick started our efforts by the hiring of a new director. CCC has been named one of the top five safest campuses.
- CCCC earned top Career Readiness Certificate scores recognized our workforce consortium.
- CCC helped local women learn self-defense by offering free classes.
- CCC/AHS Band to hosted “Battle of the Bands” fundraiser.
- CCC's Concert Band was featured during Blue Star unveiling.
- CCC Choir hosted annual Christmas Concert Dec. 4.
- CCC's Business Department donated canned goods to help the needy in our community.
- CCC announced that The United States Department of Agriculture/ Distance Learning and Telemedicine Grant Program was approved for \$410,413.
- CCC hosted the first Paramedic Graduation ceremony.
- CCC received Entergy's/ Women's Foundation Grant for four students, moms with \$2,500.
- CCC launched a newly redesigned website.
- CCC's student union got a new ATM and convenience store.
- CCC partnered with DSU to host BSN/Allied Health Open House on January 20.
- CCC partnered with TWA to host free ACT workshop.
- CCC received two \$7,000 radios from Coahoma County EMA; Sheriff's Department
- CCC hosted a “Make and Take” art Class for the community.
- CCC is offering special discounts on GED classes through Feb. 28

As CCC enters the” Dawn of a New Era,” it requires that CCC not be satisfied with our accomplishments to date. CCC must look forward to becoming part of all the communities we serve. In order for CCC to lead the way into the new era we must ask ourselves the questions that prompt our future planning and improvement.

1. Where will the technology be on the cutting edge in our communities? CCC
2. Who will the community think of first when planning events in the future? CCC
3. What group of people is always excited to try new educational practice? CCC
4. How will our communities accomplish their goals? CCC

I look forward to CCC being an integral part of the communities that our constituents look to - first.

Coahoma Community College is in the midst of a new Era. In the Division of Enrollment and Student Services this new era begins and ends with our students. It is a momentous time in the history of the college- a former student is now the leader of the college. Our goal is to prepare our students in a myriad of ways so that our students will become leaders while on our campus and beyond. Our goal is to train generations of leaders to lead CCC and beyond.

Our aim in this division is to work hand in hand with the teaching divisions on campus to not only educate our students academically, but socially as well. The New Era in the Division of Enrollment and Student Services begins and ends with us working hard to keep students engaged in the Tiger Nation.

In the Division of Enrollment and Student Services, we want our tigers to have an exciting and exhilarating first year experience and beyond on our campus. This year alone, we have had several great student activities from guest artist to plays and other shows as well as intramural sports of all types. We have held game nights, movie nights and even Thursday night -lights under the glaring lights of our newly renovated football stadium.

Enrollment and Student Services is working hard to provide Academic support for our students through both our Tutorial Lab and a Career counseling center. Our campus safety department is larger and more professional than ever. We have 24 hours counseling and support available to our students.

Karen Woods-Done  
Director of Enrollment and Student Services

# "Dawning of a New Era"

## Area Focus

Dr. Rolonda Brown, Dean of Academic Affairs

In an effort to more effectively meet the academic needs of students, the Office of Academic Affairs has implemented new programs as well as facilitated new student support systems for the 2014-2015 Academic Year. We truly believe this is the **dawning of a new era**, and as a result we have sought to rise to the challenges presented and meet the demands that will ensure success for all students. Two highlights of our hard work in academic affairs include the Coahoma Community College Honors College and the Career Counseling/Remedial Prep Program.

The honors college is a new pathway of study devoted entirely to those students who

require a more rigorous and challenging academic environment. With this program we have created courses based on standards which will offer the type of learning experience many honors and gifted students are sure to find rewarding. We have also appropriated scholarships, special dorm privileges, educational travel arrangements, special selected mentorships, and other incentives to foster a well-rounded experience for students.

The Career Counseling/Remedial Prep Program is a direct result of a generous \$50,000 grant award from the MS Women's Foundation. With the help of the women's foundation, the Offices of Academic Affairs and Student Services are able to provide specialized math and reading intervention workshops designed to offset the number of developmental courses students might be required to take. Upon finishing the workshops, students are in a position to move ahead to complete standard degree requirements in a two-year time frame rather than much later. The program also provides career counseling workshops with a narrow focus on needs and issues directly facing students enrolled in the program.

As an office invested in teaching and learning, it is one of our goals to provide a meaningful and effectual academic experience for all students. We endeavor to make this goal a reality whether you are the high school valedictorian, the person who graduated last in class, or one who successfully studied for the GED and passed. Therefore, having structures in place like the honors college and the counseling/prep program are necessary and yet only the beginning, in the dawn of this exciting new era for Coahoma Community College.

As the hub of information sharing on Coahoma Community College's campus, the Dickerson-Johnson Library is keeping abreast of the *Era's* newest innovations, technologies, media and print mediums available. The library is leading the way in instituting a culture of reading and an atmosphere of learning through educational and cultural displays and providing personal hands-on technical assistance to patrons. In its effort to "Go Green," the library is instituting a print program that will make patrons aware of waste and prevent them from wasting print resources in the library. Further, the library's director is actively involved in the College's effort to institute its first Honors College Program for top scholars.

Rose Lockett, Director of Library Services

The Department of Institutional Effectiveness truly embraces the *"Dawning of a New Era"*, and we are very excited about the innovative changes occurring at Coahoma. Our goal is to continue to make sure that Coahoma is meeting all of our accreditation requirements and to provide useful data to all stakeholders in order to increase student success rates and opportunities for federal funding.

Margaret Maddox Dixon, Institutional Effectiveness and SACS Liaison Director

The Coahoma Community College Financial Aid Office (CCCFA) offers multiple avenues and opportunities for students to complete the Free Application for Federal Student Aid (FAFSA). As we attempt to provide "Custom Customer Service", students are allowed to make appointments with the financial office in order to ensure their needs are serviced promptly. In addition to this, we have undertaken a more technological approach which provides us with improved documentation storage and retrieval. The CCCFA also provides training, workshops, and information conferences for faculty and staff. These sessions allow the institution as a whole to become better informed as to the specific needs of our students.

Dr. Luke Howard, Director of Financial Aid

*"Dawning of a New Era"* requires change which is exactly what happened. After serving five years as Director of Educational Outreach, my role changed to that of Assistant Director of Institutional Effectiveness. My goal is to work closely with my director and other colleagues to continue to meet all accreditation requirements so that Coahoma Community College can continue to serve the community.

Cynthia Williams Roberson, Assistant Director Institutional

# CCC celebrates alum, National Baptist President Dr. Jerry Young

When Jerry Young came to Coahoma Community College in the 1970s, he had very little to offer except a mind willing to learn.

"I came here (to CCC) out of a very difficult situation, and had absolutely no money at all. Unlike some of the other fellows who came here, I had no money and my GPA was not sufficient enough to demand any money," recalled Young, a Scott, MS native.

Today Young, now Dr. Jerry Young, is a well-known pastor, not only in Mississippi but throughout the nation. He was recently selected as President of the National Baptist Convention, USA, Inc.—the largest African-American religious organization in the country— and has made history as the first Mississippi pastor chosen for the position.

And for all of his accolades and achievements, Young credits CCC for helping to make him the man that he is today.

"It was Mrs. Zee Anderson Barron who actually introduced me to the National Baptist Convention through the Youth Department when I was a young preacher," recalled Young.

"What a tremendous impression that made on my life."

Pastors, clergymen, elected officials as well as CCC students, faculty, staff and alumni came out to the special luncheon to congratulate Young during a special celebration luncheon.

"We did all of this to celebrate Dr. Young, but we also want our students

to know that this a place where dreams start," said CCC President Dr. Valmadge Towner. "You heard Rev. Young say that he came here without any money nor the GPA to get some money, but you see where he is now and it started right here at Coahoma Community College."

During the special program, hosted in the Magnolia Room of CCC's Zee A. Barron Student Union, Young was presented with a resolution on behalf of the Mississippi House of Representative and State Senate by Senator Robert Jackson and Representative Henry "Chuck" Espy, III. He was also presented a key to the City of Clarksdale by Tom Jones on behalf of Mayor Bill Luckett and was congratulated on behalf of Coahoma County by Supervisor the Rev. Dr. Timothy Burrell ('63).

After a special lunch prepared by CCC's Culinary Arts students, the program continued with selections from CCC's Choir, under the direction of Kelvin Towers, and special words of encouragements and congratulations from local clergymen, including: the Rev. Juan Self of the Coahoma County Baptist

Associaion; the Rev. Micheal E. Jossell on behalf of the Quitman County Baptist Association; the Rev. Sylon Oliver on behalf of the Tunica County Baptist District Association; the Rev. Zedric Clayton II of Real Faith Christian Church; the Rev. Edward Thomas of King's Temple Baptist Church; Elder Darrell Keith Dixon ('08) of St. Matthew Church of God in Christ; the Rev. Mark Webb of First Presbyterian Church; and the Rev. Odell Landfair of Haven United Methodist Church.

"I authentically appreciate what has happened here today," said Young. "Without this institution I would not be standing here today. I am so indebted to Coahoma Junior College, now Coahoma Community College, and the persons who were here and put their arms around me and made my life so much better." Young then told the story of Alex Haley, who was said to have kept a statue of a turtle sitting on top of a fence post on his desk.

"Oftentimes people would ask him why he had that on his desk ... his response was, 'Because it reminds me that whenever you see a turtle who is sitting on top of a fence post, you know he had help to get up there.' I want you to know how thankful I am, and you can tell everyone that you know that here is, in Jerry Young, a turtle who is aware that he's on the fence post because a whole lot of people helped him to get there, and I am eternally grateful."

## Choral Festival, a hit for all!

**HBCUs** are institutions of higher education in the United States that were established before 1964 with the intention of serving the black community. There are 105 historically black colleges and universities (HBCUs) in the United States today, including public and private, two-year and four-year institutions, medical schools, and community colleges.

Mr. Kelvin K. Towers is a native of Mound Bayou, Mississippi. He has been the Director of Choral Activities at Coahoma Community College since 2001.

The **Coahoma Community College Choral Music**

**Program** achieves local, state, and national acclaim as they continue to impress audiences with exhilarating music through diverse choral performances. The choral music program is comprised of Concert Choir, Gospel Choir, Barbershop Quartet, and Men's Ensemble. Dr. Karl Twyner is the director of Alcorn State University Concert Choir.

The **Concert Choir at Alcorn State University** consists of talented students from across the globe.

The choir is proud to incorporate a wide range of styles in their programming and perform frequently throughout Mississippi and the surrounding region. Community service, worship, and a true passion for the art are among the many things that drive the musicians that make up the ASU Concert Choir. Graduates of the Fine Arts Department at Alcorn State University have gone on to top graduate programs and successful careers as both educators and performers.

Dr. John Weiss is the current director of **MVSU Choral Music Program** which consists of two choirs, both of which are auditioned. The larger University Choir numbers approximately

80 singers, and the smaller and more select Valley Singers contains approximately 20 singers. The purpose of the MVSU Choral Program is to provide a platform for music majors to train to become teachers and instructors, to perform diverse choral repertoire representing a variety of periods and styles, and to offer a place for all students to perform a high standard of choral music.

Dorothy Lee Jones has been the Directress of the **Rust College A'Cappella Choir** since 2010. The World Renowned Rust College A'Cappella Choir is one of America's most

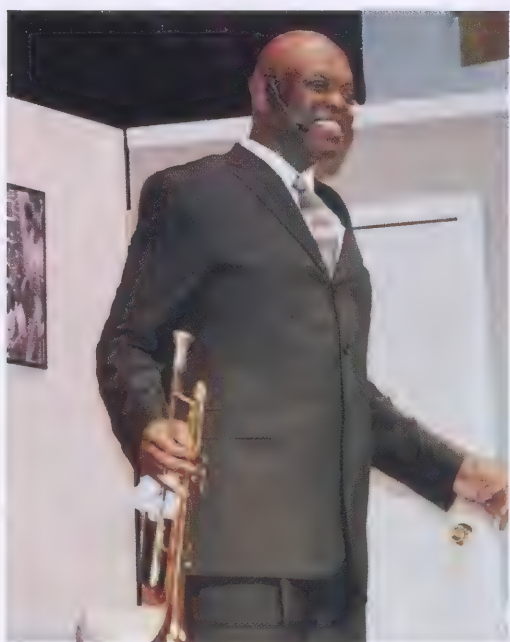

renowned choirs which features a broad repertoire of classical, semi-classical, spirituals, opera, contemporary and traditional gospel. repertoire and excellent performances. Dr. Bates conducts the Vesper Choir in an entertaining and varied program of classical choral literature, spirituals, choral jazz, commercial music, music of popular appeal and gospel selections.

## Last Psalms Production: "A Letter From Louis"

Whether you prefer to call him Louis, Louie, Satchmo, Pops or Ambassador of Love— George W. Stewart's "Letter From Louie" play is as close to real thing as you can get to meeting the legendary jazz musician Louis Armstrong. Students, faculty, staff and community members were treated as Coahoma Community College concluded its 2014 Fall Harvest Festival celebration on a high note with a special theatrical performance of the play.

The free event, sponsored by CCC's Lyceum Committee, kicked off with some soulful, acoustic selections by Hishonda Wilson. Anthony Williams of Last Psalm Ministries then took the stage, playing the part of the iconic jazz singer Louis Armstrong.

Williams played several live gospel, jazz-inspired musical selections on his trumpet and even replicated Armstrong's signature raspy voice. Set in one scene at Armstrong's home, the play chronicled Armstrong's conversations with God, whom he affectionately called the "Big Man", as he prepared to perform one the greatest, most sacred gospel concerts of his life.

It's Stewart's fourth year bringing his work to CCC and he said he's looking forward to continuing the relationship.

Armstrong said he was inspired to write to play to inform the younger generation of Armstrong's great impact on the music scene. "All of the things that we shared were factual regarding one of the greatest entertainers of all times and the inventor of the jazz genre—Louis Armstrong," said Stewart. "We don't know much about him and that's one of the reasons why we wanted to present this play. ...It's good to know the history of our music."

Although the play was entertaining, it also brought with it a larger message as well.

# Choir Christmas Concert

Music to your ears!

**Coahoma Community College's Choral Music Department** helped to usher in the excitement of Christmas and the Holiday season with its annual Christmas concert.

Themed this year "Sounds of the

Season", the highly anticipated concert was slated for 7:30 p.m. Thursday, Dec. 4, in the Pinnacle.

The event, funded in partnership with CCC's Lyceum Committee, was free and open to the public. "Each year the community eagerly looks forward to this event as it puts everyone in the spirit of the Christmas season," said Kelvin Towers, CCC's director of choral activities. "This will be an enjoyable experience that you don't want to miss!"

Comprised of talented singers from across the Mississippi Delta, Memphis, and the Helena, AR area, CCC's

Concert Choir offered the audience a wide repertoire of songs from spiritual and gospel, to jazz and traditional holiday favorites.

This year, CCC continued its unique partnership with the Memphis Chamber Orchestra who were featured during its opening performance, Robert Shaw's classic "The Many Moods of Christmas". In addition, the audience enjoyed the sounds of Jim Hill High School of Jackson, MS.

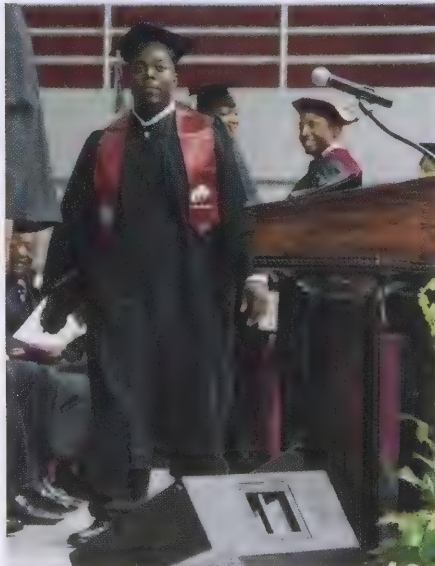

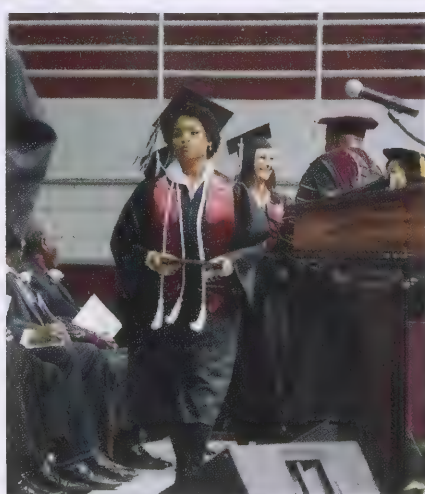

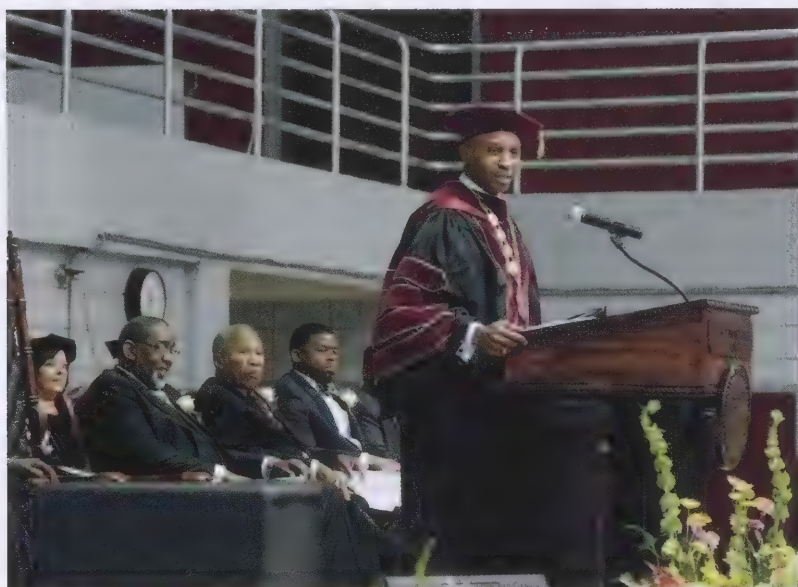

The night also featured CCC's Men Chorus, Women Chorus, as well as small Broadway vocal groups. Other selections included Betelehemu (a Nigerian Christmas carol) with African percussion and the hit song Hallelujah from Quincy Jones' "Soulful Hallelujah Celebration" collection.

Instructor Barbara Boschert is the recipient of **Coahoma Community College's 2014 Humanities Teacher Award**. The 6-year instructor and History Department Chair received a standing ovation from her colleagues after making a professional presentation regarding her

discipline. It was all a part of Boschert's recent designation as the Humanities Teacher of the Year.

Boschert's passion for history was evident as she used the opportunity to discuss her admiration for the famed first President of the United States in her presentation entitled, "George Washington: The Man Behind the Myth". Using photos, portraits and sculptures in a PowerPoint to accompany her presentation, Boschert explored why Washington has become an endearing symbol for America.
